

DIRECTOR ANNOUNCEMENTS

Effective Monday 10th July 2018

Upcoming Events

- August Swiss Teams congress – Sunday 5th August – entry form or web site
- Interclub Teams at Noosa – Saturday 11th August – check Noosa Bridge Club web site
- Tuesday afternoon comp –17/24 July – sign-up sheet on white board

Directing issues

- Please remember to call the director whenever an infraction occurs at your table. Don't make your own rulings as this may affect you and your opponents' rights and obligations.
- A reminder that all players need system cards and they should be the same as their partner's. Also, if you're playing complex 2-suited overcalls like Ghestem, Twerb or Toxic, you are urged to record on your card the meaning of all the options otherwise when a player makes a call and partner explains it differently (which often happens) the director may rule misinformation rather than mis-bid if the pair cannot prove who was right.
