

Competitive Bidding

One area where points are not so important is Competitive Bidding. On some hands you bid a lot with a little, and on others you bid a little with a lot.

These workshops will examine when to bid more and when not to, when both sides are in the bidding.

These workshops are suitable to players of all abilities. Come with or without a partner.

Notes will be provided, but there will be a whole workbook on Competitive Bidding for sale for \$15 if desired.
