Current Committee Activities

BRIDGEMATES - The committee has decided, after feedback from the membership and the Directors that we will **NOT** be displaying the results on the bridgemates after each board. Your position in the field and percentage obtained in the session to date is still available at the end of each round. This decision may be reviewed at the end of 2019.

CARPET – we received several quotes and have selected a supplier to replace the ageing carpet. It will be installed (hopefully) over a weekend in February with no interruption to the Saturday afternoon session.

COMMUNICATION – while any club member can discuss any issues or suggestions for improvement with any committee member at any time, we have decided to invite anyone interested in talking to the committee to join us at the March meeting (Thursday the 14th of March) at 11.30am.

KITCHEN – Barbara Walsh who has for the last 7+ years voluntarily taken our tea towels home for laundering, has retired from that role. The committee has decided to introduce a roster system with 1 person looking after this role for a calendar month at a time. January to March have been allocated and we are seeking volunteers to place their name on the list on the whiteboard, your assistance would be much appreciated.

Regular Events

Owing to the holiday period, there have been no regular events since the last newsletter.

Future Events

The next congress is the Queensland Senior Teams on Saturday and Sunday the 2nd and 3rd of February – we hope to have a record rollup of participants (we already have 26 entries out of a maximum of 32).

Welfare

If you know about any club member that is ill in hospital, or has recently passed away, please notify our committee welfare person – Janice Little.

Brian Cordiner, President
