## MODERN DAY EXPERT THOUGHTS ON OVERCALLS

Overcalls – They're simple enough, but how do experts overcall in today's game? How have they evolved?

Say your RHO opened 1♣ and you have ♠J7642 ♥65 ♦AKT3 ♣64 and you are vul. Would you overcall 1♠? Come along to this workshop to find out how experts think in these situations!

- ♣ Suited for everyone – come and challenge yourself!
- ♣ Beginning with a lecture including an interactive PowerPoint presentation, followed by hands to play, then with time permitting, a discussion about the hands played.
- ♣ Every player will receive a set of well-presented notes of the seminar which goes into much more detail, as well as an analysis of the played boards.
